

Become part of the open science movement

The Leibniz Institute for Psychology Information (ZPID) in Trier (Germany) is an internationally renowned research support organization in psychology and a member of the prestigious Leibniz Association.

Current as well as future ZPID research areas and services are based on and guided by the values of open science and open innovation. ZPID provides tools and services to facilitate access to, manage, steward and store digital research data. It has won a grant by the German Research Foundation (DFG) to further enhance [DataWiz](#), a tool that helps researchers in psychology to manage and document their research data.

For this project, we are looking for a

Junior Researcher / Doctoral Candidate (m/f/d): User Experience

(salary group TV-L E13, 75%, limited for 2 years)

Start date is August 1st, 2019 or as soon as possible thereafter

Duties and functions:

- Improving the user experience of DataWiz in close cooperation with a software developer
- Usability testing: Designing, performing and evaluating usability tests in lab as well as in field conditions
- Defining and analyzing scenarios and use cases for research data management
- Promotion of the project with workshops, presentations and publications

Your profile:

- Master-level degree in Psychology, or UX Design, or a related field with a focus on human-computer interaction, cognitive ergonomics or other areas related to user-centered design
- General knowledge of psychological methods and the management of research data
- Distinct communication and presentation skills
- Proactive, results-oriented, and independent working style

In order to apply, please register with our online portal here

<https://leibniz-psychology.jobbase.io/job/2x1kfzyg>

and upload the following documents (until July 21, 2019):

- Cover and motivation letter
- CV
- Names, affiliations and e-mail addresses of 2-3 potential referees
- Outline of plans/ideas for your PhD topic (about two pages)

We support your career development.

ZPID is committed to equal opportunities in employment and, in particular, to increasing the number of women in those academic positions where they are currently underrepresented. Women are therefore encouraged to apply. We observe guidelines regarding laws and regulations governing part-time employment. Among equally qualified applicants, disabled candidates will be given preference. We are a family-friendly employer and have been certified by the audit [Work & Family](#).
