The research group on “Sensomotoric learning” of Prof. Dr. Alexander Schütz at the **Department of Psychology** is currently accepting applications for a

## **Research Assistant (Postdoc)**

The position is offered for a period from 01.04.2019 until 31.03.2021, if no former times of qualification must be considered. The position is full-time with salary and benefits commensurate with a public service position in the state Hesse, Germany (TV-H E 13, 100 %).

The ERC Starting Grant “PERFORM” focusses on eye movements and the interplay of foveal and peripheral vision. Further information on the project is available at <https://www.uni-marburg.de/en/fb04/team-schuetz/perform>. To the duties belong scientific services in the above mentioned project, in particular the development and experimental validation of computational models of visual perception across eye movements.

The position will be filled by a temporary contract that is limited to the period which is necessary to gain further scientific expertise (such as the preparation for a subsequent qualification period). Within the entrusted tasks the opportunity for independent scientific work to obtain further personal qualification is given. The limitation of the contract complies to § 2 Abs. 1 WissZeitVG.

The successful applicant will hold an MSc-degree or equivalent and a PhD in Psychology, Computer Science or a related subject. Experience with computational modelling of perception and/or eye movements is expected. Thematically relevant publications in peer-reviewed journals and experience with the development of experiments are desirable.

The research group offers the cooperation in a motivated team, an excellent lab equipment and international collaborations.

Feel free to contact Alexander Schütz at [a.schuetz@uni-marburg.de](mailto:a.schuetz@uni-marburg.de) for more information.

We support women and strongly encourage them to apply. In areas where women are underrepresented, female applicants will be preferred in case of equal qualifications. Applicants with children are welcome - Philipps-University is certified as a family-friendly university. Sharing a full-time position (§ 8 Abs. 2 S. 1 HGLG) as well as a reduction of working time is possible. Applicants with a disability as described in SGB IX (§ 2 Abs. 2, 3) will be preferred in case of equal qualifications. Application and interview costs can not be refunded.

Please send your application mentioning registration number fb04-0044-wmz-2018 as a single PDF file to [a.schuetz@uni-marburg.de](mailto:a.schuetz@uni-marburg.de) before 14.12.2018
