

## Saarland University, Saarbrücken, Germany

### PhD Position in Developmental Cognitive Neuroscience, Saarland University (Germany) – Kennziffer W1478

A 3-year doctoral position is available at Saarland University (Germany), Department of Psychology to work with Dr. Jutta Kray and Dr. Axel Mecklinger. The successful candidate will contribute to a research project that examines the age-related and cultural-related differences in episodic memory, its neuronal correlates and its modification by the training of specific memory strategies. The doctoral fellow will be involved in all aspects of the project, including planning and implementing behavioral and EEG/ERP experiments, data collection and analyses, presenting study results at international conferences, writing manuscripts, and recruiting participants.

For further information, please contact: Dr. Jutta Kray ([j.kray@mx.uni-saarland.de](mailto:j.kray@mx.uni-saarland.de)).

#### Required Qualifications:

- M.Sc. (or equivalent) in psychology, neuroscience, cognitive science or related field
- Strong academic record
- Strong background in experimental psychology, excellent statistical skills, and experience with conducting experimental research
- Excellent skills in written and spoken English
- Inherent interest in cognitive and affective neuroscience, cognitive control, and adolescent brain development
- Expertise with EEG/ERP methods and programming skills (preferably Matlab) are desirable

Terms:

- The position is available from April 1, 2019 or later for a maximum of 3 years
- Salary scale TV-L E13 (50%)

Saarland University is interested in increasing the number of women on its scientific staff. We therefore strongly encourage applications from women.

Interested applicants should send a CV, a statement of research interests, copies of relevant certificates, and names of 2 references to Dr. Jutta Kray at [j.kray@mx.uni-saarland.de](mailto:j.kray@mx.uni-saarland.de), preferably by February 28<sup>th</sup>, 2019. Later applications will be considered until the position is filled.
